

## Blind

OmenXIII

I once was blind but now I see  
You'll never be a part of me  
You're just another fucking opportunity  
That's all you are, that's all you'll ever be

You don't really understand love  
You don't really understand hate  
You could never understand us  
You could never understand \_Blk  
XIII in my hair I feel like Juuzou Suzuya  
Pick up my scythe and I'm killin my enemies  
Beg me for mercy I do not care, who it was  
Swing and repeat and I do not feel anything

I once was blind but now I see  
You'll never be a part of me  
You're just another fucking opportunity  
That's all you are, that's all you'll ever be  
I once was blind but now I see  
You'll never be a part of me  
You're just another fucking opportunity  
That's all you are, that's all you'll ever be
