

SESH

I don't wanna see your face
I don't wanna hear your name
I'm ridin' round on my side of town
And you know it's SESH when I play
I wanna change the world
But I don't wanna change
I just wanna headbang
When that snare hit after that bass
Fuck around, I'm like atomic fusion
End the fucking world, then I start a new one
I'm an illusion, it's driving me crazy
I keep to seclusion on regular basis
I'm teaching with no substitution
But these humans are so fucking lazy
Fuck is a future, and fuck is a shooter?
All of that shit just sounded fake

I don't wanna go
I don't wanna know you
I don't wanna show
No, I don't wanna show you what I really am
I don't wanna go
I don't wanna know you
I don't wanna show
No, I don't wanna show you what I really am

I'm iced, so fuck whoever think they cooler
They got a sixth sense, but I'm thinking it's humor
I don't got that, so don't fuck with me
'Cause if you fuck with me, I get ugly
They working hard like they bumblebees
In the hive, but they don't know the queen
Making honey, and I think it's funny
'Cause I'm the one that's gon' eat
'Cause I'm the one that can't sleep
My mind do nothing but think
And I ride with nothing but jeans
And we ready to die, put that on me
We just getting through the night
To waste away another day
I can take a fucking life
But you can only take my pain, bitch

I don't wanna go
I don't wanna know you
I don't wanna show
No, I don't wanna show you what I really am
I don't wanna go
I don't wanna know you
I don't wanna show
No, I don't wanna show you what I really am
