

## Catch You On The Flip Side

OmenXIII

Sipping on Rossi with curry and rice  
Clouds in my eyes and I'm stuck in my mind  
What do I supply oh what do I supply?  
Just some peace of mind peace of mind on the side  
OmenXIII rapping out till the end see they fuck with me now but  
ain't fuck with me then  
You hit me up now but we never was friends we not even acquaint  
ances please don't pretend  
Snap back to reality different mentality  
Everything normal with slight abnormality  
Act like you tough it's a bluff in totality  
Act like you savage don't match personality  
All your shit wack all I hand out was blasphemy  
Ain't causing no casualties you ain't on the block and you ain'  
t in the alley  
And neither am I but at least I'm not fake my g
