OmenXIII

Maybe I thought that there was war and I was wrong
We both knew it but ignored it all the more
I don't care about how long I'd have to wait
But it happened I don't want to be afraid
I don't care about how long I'd have to wait
But it happened I don't want to be afraid
Like there's so much in the way
I have so much left to say
Waking up and know my fate
I just feel it's never, never too late
Ooh, ooh, aah
