

## Crazy, Crazy

OmenXIII

Crazy

I might be crazy, crazy  
Yeah, I feel crazy, crazy  
I might be crazy, crazy  
Cause we go crazy, crazy

I might be crazy, crazy  
Yeah, I feel crazy, crazy  
I might be crazy, crazy  
Cause we go crazy, crazy

When things change what do you do?  
Cause people change when they need to  
Nowadays I can handle myself, and I take care of the people that I want to

Cause I wouldn't be shit without you, you, you, you  
Yeah, I wouldn't be shit without you, you, you, you  
Now I'm ridin' in a A3, couple shawtys prolly textin' me  
I ain't really even stressin', but I'll fuck if you want it, baby, please do  
n't tempt me

But I still wanna spend some time, time with you  
Yeah, I'll let go of some of my life just for you

I feel a lot of weight against me  
A lot a pressure, I've been deeper than six feet  
I get caught up in my thoughts sometimes  
I realize and hope you don't hold it against me

The life I loved became so empty  
Now I gotta find something  
I don't really need no one, that doesn't mean that I would rather be lonely

Yeah, life has funny way of doin' things that remind us  
What it means to be human, succumbing to our limitations  
Sometimes I feel insane, all these people lookin' at me  
Yeah, sometimes it feels so great, all these people lookin' after me

I just wanna keep progressing  
I just wanna be a better me  
I know I'm gonna keep progressing  
I know I'm gonna be a better me

But I wouldn't be shit without you, you, you, you  
Yeah, I wouldn't be shit without you, you, you, you

Life sucks when the wheels ain't spinnin'  
That's why I gotta get it just to keep myself busy  
What you know about me?  
The things I let you see could never be my whole image

Black shirt, black jeans, OmenXIII, yeah, I've always been a misfit  
I've been livin' in the moment, cause everything I've worked for could be lo  
st in a minute  
Always been a go getter, but now I sit still and everybody come and get it  
Back then things were different, but I'm still in your speakers goin' 5150

I might be crazy, crazy  
Yeah, I feel crazy, crazy  
I might be crazy, crazy  
Cause we go crazy, crazy

I might be crazy, crazy  
Yeah, I feel crazy, crazy  
I might be crazy, crazy  
Cause we go crazy, crazy

I might be crazy, crazy  
Yeah I feel crazy, crazy  
I might be crazy, crazy  
Cause we go crazy, crazy

I don't like to ask many questions  
I already spoke for myself  
I don't need to undress her  
I walked in the room and she was in her underwear  
We gonna smoke on this OG, you know that I got this shit from Jay-Ef  
Buss the white down on top of me, I'll let you do this shit off of me

You know I already feel right, right with you  
But we can do all the extra shit if you like to  
I know this life different, it's one in a million  
Fuck all the braggin', you fuck on baddest bitch, it's gonna change your head  
That shit still affectin' me, but I don't latch onto it  
It's funny that pussy taught me anything that I want I could go and get

Now the worlds mine to go and get, when I want to I let it sit  
Stack my money up and let it sit, when I want to I'm spending it  
Yeah, they know that I'm a real boss, I don't talk it, I walk it, bitch  
When I'm in the function they recognize me, but see, I never asked for this

Cause I wouldn't be shit without you, you, you, you  
Yeah, I wouldn't be shit without you, you, you, you

Life sucks when the wheels ain't spinnin'  
That's why I gotta get it just to keep myself busy  
What you know about me?  
The things I let you see could never be my whole image

Black shirt, black jeans, OmenXVIII, yeah, I've always been a misfit  
I've been livin' in the moment, cause everything I've worked for could be lost in a minute  
Always been a go getter, but now I sit still and everybody come and get it  
Back then things were different, but I'm still in your speakers goin' 5150

I might be crazy, crazy  
Yeah, I feel crazy, crazy  
I might be crazy, crazy  
Cause we go crazy, crazy

I might be crazy, crazy (5150)  
Yeah, I feel crazy, crazy (5150)  
I might be crazy, crazy (5150)  
Cause we go crazy, crazy (5150)

I might be crazy, crazy (5150)  
Yeah, I feel crazy, crazy (5150)  
I might be crazy, crazy (5150)  
Cause we go crazy, crazy (5150)

Crazy, crazy, crazy, crazy  
Crazy, crazy, crazy, crazy  
Crazy, crazy, crazy, crazy  
Yeah, crazy, crazy, crazy
