

# Drowning

OmenXIII

I don't want to breath again (again)  
Darling let me drown and you'll escape (you'll escape)  
From your cheek bones to your chest  
I'm loving everything  
Just like you (just like you)  
Oh no, I don't want to see your face  
I can be with all of your grace (your grace)  
I'm the moth and you're the flame  
I'm the dirt, you're the frame, girl  
I need you everyday (oh no)

There's not a thing that I can't do for you  
And you know I'm not perfect, so tell me what's new  
Tell me where to find you  
Girl let me remind you  
I'll always be beside you  
Ok I'm getting nervous  
Ok am I worth it?  
Ok can I work it?  
Oh no  
Oh no  
Oh no

I don't want to breath again (again)  
Darling let me drown and you'll escape (you'll escape)  
From your cheek bones to your chest  
I'm loving everything  
Just like you (just like you)  
Oh no, I don't want to see your face  
I can be with all of your grace (your grace)  
I'm the moth and you're the flame  
I'm the dirt, you're the frame, girl  
I need you everyday (oh no)
