

Forever

OmenXIII

I think of you when I look to the sky
I think of you when I'm ready to die
You're like an anchor, like a hold me down
At the bottom of the ocean where you can't hear me drown

I won't wait for you here forever and ever
I'm the ghost in the mirror forever and ever
I won't wait for you here forever and ever
I'm the ghost in the mirror forever and ever

Forever and ever, forever and ever
Forever and ever, forever and ever
Forever and ever, forever and ever
Forever and ever, forever and ever
