

Get Away

OmenXIII

Get away, get away, get away
I don't need you bitch, I just need me
I just want life, I just need death
I don't need love, I just need a breathe

All I do is hate, All I do is cause pain
Hop on the plane, gettin to the next the stage
Lower the curtains, and sip then I dip
I don't need clips with the blade on my hip

Ignorant bitches just flippin prescriptions
You ain't changin the game, you just steady sayin' the same shi
t
And everybody ain't listen, when XIII speak you can hear the di
fference

King of the Demons pop up in your dreams, wake up in fear and t
here ain't noone there
Turn the lights on then I disappear, cut the lights off I appea
r in the mirror

Get away get away get away
Run away run away run away
