

"I think you straighten up a little bit. I think you should you know look at yourself in the mirror sometimes and say 'look, what am I doing? why am I like this'?"

What do you want and what do you need?
I guess you're kind of like me
Indecisive about everything life brings
As a matter of fact please don't remind me, oh no
Close the curtains and I'll shut my eyes
I don't want to go outside, if you're right here
If you're right here

I've been waiting for this for so, so long
I've been waiting for this for so, so long
I've been waiting for this for so, so long
I've been waiting for this for so, so, so, so

Is this love that I feel when I look in your eyes?
Is it love that you feel when you look into mine?
Is this love that I feel when I look in your eyes?
Is it love that you feel when you look into mine?
