

## Gore

OmenXIII

I got blood on the granite  
When I swing I'm causin damage from  
XIII different angles  
XIII reasons you can't handle

Hope you really got that ammo  
Hope you really got them goons  
In The Shadows black look camo  
Darkness come surround your crew

Bitch I'm rockin rollin  
Slidin down your block I'm zonin'  
Remington on my side I'm holdin  
Please step off that microphone and stay at home
