Now I know she mad she can't cop me, give a fuck, bitch, I got it
Everybody know that I got it
Everybody know that I'm solid, you can see it in my wallet
Runnin' through bands on the daily
Runnin' through racks bitchweekly, we be
Gunnin' through plans like we crazy
Why the fuck is yo mans tryna see me? They be
Plottin' on me and that's shady
Last year the same dude hate me, but see

Everybody wanna be famous, not me
OmenXIII, black shirt, black jeans
Black nails, everything all black on me
Floatin' out the room like a mothafuckin' ghost
With my new jean chains and my XL Tee
Everybody know me when they see me nowadays
