

"Help me, my brother's dead"  
"What do you mean by your brother's dead?"  
"He killed himself"  
"How did he do it?"  
"With a gun"

Cult shit  
In a world so dark, you're stronger than you think  
You are the light, I am my light  
I am my light, I am my light

I am my light, I am my light, I am my light, I am my light  
I am my light, I am my light, I am my light, I am my light  
I am my light, I am my light, I am my light, I am my light  
I am my light, I am my light, I am my light, I am my light

I am my reason, I am my angel, I am my demon  
I am my Alpha, I am my Omega  
This is my pain, this my life  
I'm in the the dark, I am my light  
I am my light, I am my light

I am my light, I am my light, I am my light, I am my light  
I am my light, I am my light, I am my light, I am my light  
I am my light, I am my light, I am my light, I am my light  
I am my light, I am my light, I am my light, I am my light
