

I got 10 Black Nails so you know me when you see me
I got 10 Black Nails so you know me when you see me

I got 10 Black Nails so you know me when you see me
OmenXIII, Black Shirt Black Jeans
Prince of the Shadows, the King of the Demons
The Reaper, The reason you've been losing sleep
Only say what I'm bout, I ain't bout what I don't say
No guns, but I really got blades
Got change, got bills
Give pain, give chills
Can't spit? - q
Just stop, Just flop
Just quit, You a bitch if you really think you ever gettin in
No one listen to the tape that you dropped last week, -
You're weak just face it, You could never ever be my replacemen
t
You will never ever see the place that I'm in
The sound of my voice get changing the climate
The sky will open up and start raining fire
And liars will soon turn to ashes, the planet
Will vanish and truth will be handed out
Plan it out, every moment you will spend in your head
Breaking bread with yourself with no help and no hope
For release, and recede into portals where
Mortals can feel so unreal again
It's all in your head
It's all in your head
It's all in your head
It's all in your head
It's all in your head
It's all in your head
It's all in your head
