

Mr. Crow

OmenXIII

Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr-
Aye, aye

Mr. Crow, on the road
Mr. Crow, on a roll
I've been creepin' lock that door
I've been geekin' off that smoke
You've been geekin' off these hoes
You sleepin on me 'cause you broke
Shinin' bright it got you woke and now all you can do is hope
I see you try, I watch you choke
You see me grindin, watch me bro
Steady flexin for your bitch
I don't even want the hoe
I just wanna take control
She just wanna take it off
OmenXIII, King of Demons, in the moonlight, demi-God
I'm on top, I'm never off
Round the clock I beat the odds
Got no team, no co-sign, and no label, still I be the boss
Smoke a blunt and see me gone
Hocus pocus, cheech and chong
He said, "aye we chieffin huh?"
I said "think you sneaky bruh?"

Mr. Crow, on the road
Mr. Crow, on a roll
I've been creepin' lock that door
I've been geekin' off that smoke
You've been geekin' off these hoes
You sleepin on me 'cause you broke
I'm shinin' bright, it got you woke
Now all you can do is hope

Phone buzz buzz buzzin every day, I can't escape it
I might hate it in a way but in a way it feel amazing
Fuck fuck fucking with me now, I'd hate to say it but I'll say I'm in the ga
me 'cause it ain't really complicated
You front front frontin, you ain't really fuckin with me
I just got the fuckin' key and everybody wanna see it
Run run run, boy you better 'fore I level up and level you I'd hate to do bu
t I gotta level out
Don't it really seem strange how they act now?
Just 'cause I got a little bit of this and that now
Still Prince of the shadows in the background
Sleight of Hand if you really try to act now
Bitch you better back up, better back down
You don't wanna dance with the boogeyman
You don't wanna feel the fuckin' wrath of the man on the path to a psychopat
hic madman

Mr. Crow, on the road

Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
Mr. Crow, on the road
Mr. Crow, on a roll
