OmenXIII

I hit the plug on-line, I got money waitin on my line
Issues heavy on my mind, sometimes I can't decide
I see 4 rings when I drive, OmenXIII got that knife
I'm in the dark all the time, in the light I can't find shit

Am I really just an outsider? Am I really just an outsider?
Am I really just an outsider? Am I really just an outsider?
Am I really just an outsider? Am I really just an outsider?
Am I really just an outsider? Am I really just an outsider?

On-line, on my mind, on my mind
Sometimes I can't decide, when I drive, got that knife
All the time, in the light I can't find shit
