

## Push Away

OmenXIII

I've been stressed, I've been reckless  
So please tell me what I already know  
What's a body without a soul?  
I've been losing my mind, I've been losing control  
I've been losing my life, feel like I've nowhere to go  
I'm at the end of the road and I don't want to go back home  
No, not if it kills me  
Press on the blade until I cannot feel please

Until I cannot feel please  
Until I cannot feel please  
Until I cannot feel please  
Until I cannot feel please
