

## Roses, Ashes

OmenXIII

The touch of the reaper means only one thing, desiccation to ev  
everything within my reach  
Kill and repeat, I'm the hacker delete anything 'front of me if  
I need to release  
Enemies crumbling within my presence, I'm presently not really  
one to be seen  
I'm the behemoth it seems for no reason I can't waste my time o  
n such trivial things  
Know where you stand, and just know I could banish you from the  
whole scene with these words that I speak  
I'm tempermental, my energy pent up, bitch back the fuck up if  
you still want to breathe  
I am the ghost in the night with this butterfly blade, there ai  
n't nothing colliding with me  
Come round the corner, I'm draped in the shadows, bitch my knif  
e will find a place that it can rest if it needs

Roses, roses, ashes, ashes (roses, roses, ashes, ashes)  
Roses, roses, ashes, ashes (roses, roses, ashes, ashes)

Come fuck with me, I'ma show you what it's like to never give a  
fuck my g  
Rollin, and smokin, sippin on blood bitch we keep it on a lower  
key  
Got no chains, I got no containment, bitch there ain't nothin t  
hat's holdin me  
Independent, livin in solitude they can't get close to me

Roses, roses, ashes, ashes (roses, roses, ashes, ashes)  
Roses, roses, ashes, ashes (roses, roses, ashes, ashes)

I'm the alchemist, turn a fuckin problem to a body bitch  
Fuck a body bitch, I want all yo shit  
I want all the smoke, I need all the dope  
Bitch don't get to close, I'ma cut your throat  
I'm a cutthroat, losing control, keep your eyes up, keep your h  
ead low  
I'm a cutthroat, losing control, keep your eyes up bitch, keep  
your head low
