

## Scars

OmenXIII

I'm in the Shadows in my zone  
Macaulay Culkin, home alone  
Ain't never been the cool kid  
These foolish hooligans, cool again

Scars up on my fuckin wrist  
Hoody up for yo fuckin bitch  
She sippin all of my Rossi  
She touchin all on my body

I feel the pain and I feel it all  
I see the hate and I kill it off  
With villains chillin, ain't actin hard  
Run up on me I kill you all

Bootin up my PC  
Blowin off some steam  
Pussy boy can't play me  
No pussy boy won't make it

Scars up on my fuckin wrist  
Hoody up for yo fuckin bitch  
Scars up on my fuckin wrist  
Hoody up for yo fuckin bitch
