

I'm deadly as can get  
I'm heavy metal crazy killer, bitch  
My death note got your name in it  
My blade got blood on it  
Got blood all on my fit  
Oh it's a bloody mess  
Rubies all up on the pit

I get the brick I double it  
Y'all fools ain't moving shit  
My Glock keep loaded  
Got some extra clips  
Unload then drop the clip  
Reload then cock that shit  
Then bodies turning cold  
The blood still warm and shit  
Fill my cup up to the brim  
Sip slow but imma pull up quick  
If you talking shit, this ain't no warning, nah this ain't no threat  
Yea this a promise, bitch I'll dig a hole for you to crawl up in  
Bitch you pathetic  
I can that see that shit  
When it comes to it  
You folding next to quick  
You pussy bitch  
You pussy bitch

I'm smoking weed, I'm counting hunnids till I'm filthy rich  
Till I don't know just what to do with it  
Bitch yous a pussy, I can't fuck with him  
You ain't hood, you ain't no gangster, yous a sissy bitch  
Better kill yo self before I get to him

be the syndicate, pillaging, flipping killing shit

They know that we different, the difference is why we driven bitch  
In it for the mission, they listen because we risking it  
Negative intentions for heretics, you not scary bitch  
Death scars in my flesh left a message, reflecting ink within  
Pressure too intense, we not resting but we don't stress for shit  
this shit get hectic bitch

I'm smoking weed, I'm counting hunnids till I'm filthy rich  
Till I don't know just what to do with it  
Bitch yous a pussy, I can't fuck with him  
You ain't hood, you ain't no gangster, yous a sissy bitch  
Better kill yo self before I get to him
