

Tears

OmenXIII

I got tears and they on my neck
I got Drop Dead and it's on my back
New studded belt hanging off my waist
Black high tops and they got the straps
I got three blades, I ain't got no straps
Almost 2 million plays, 200 tracks
And If you want a feature, that's at least a band
But I'm still broke, I ain't tryna flex
If you hit my line you better have the check
I been sippin' wine, I don't fuck with Tech
You are at a nine, I've been at a ten
I don't even try, I don't even care (care, care, care)

I don't even care (care, care, care)
I don't even care (care, care, care)
I don't even care, I don't even care, ooh, I don't even care

I don't even, I don't even, I don't even, I don't care
I don't even care
I don't even, I don't even, I don't even, I don't even
I don't even care
