```
Where is it?
You don't see anything here?
No, where is it?
Then here's another one
Where is it?
You don't see anything here? Then here's another one. You don't
see any picture there?
Where is it?
You don't see any picture there?
Here's the other one. You hold it like this and adjust it aroun
Umm, I can almost see something
What are you doing with your hand up there?
I'm trying to reach up
That's why
Because it's, like, so real
Yes, now tilt it just a little bit
You laughing?
Yeah, it moves. Yeah, neat
So that's one of the unusual pictures that you said you couldn'
t see before and now you can see very well. Here's the other on
```
