

Poker Face

Omi

You ain't gotta say a word, don't reply
'Cause your lips are saying one thing but your eyes don't lie
Hope I'm not mistaken, don't tell me that you're taken

You ain't gotta say a word, you know I'm right
I put my finger on your lips, baby, oh be quiet
Kinda game you're playing? I can read your poker face

But you look like you're down
(But you look like you're down)
To no good
(No good)
You look like you want to
(Look like you want to)
Get rude
(Get rude yeah)
Well I'm bout to discipline you
(Discipline you)
You feel me way up in you
(Feel me way up in you)
You're telling me continue
(Hey)
I ain't gonna stop until you
(Hey)

Tonight mi gonna lock you down
(Tonight mi gonna lock you down)
Tonight mi gonna lock you down
(Tonight mi gonna lock you down)
I'm gonna discipline you
(Discipline you)
You feel me way up in you
(Way up in you)
You're telling me continue
(Me continue)
I ain't gon' stop until you
(Stop until you)

All day
(All day)
All night
(All night)
I'll make you feel alright
All day
(All day)
All night
(All night)
I'll make you feel alright

All night
(All night)
All day
(All day)
I'll make you feel okay
All night
(All night)
All day

(All day)
No bother give me no poker face yeah

If you got a wild imagination and a burning desire
Girl, I got the patience to light your fire
You say sex is overrated, then tell me why you're naked
Yeah yeah
(Yeah yeah)
Yeah yeah
(Yeah yeah)

But you look like you're down
(You look like you're down)
To no good
(No good)
You look like you want to
Get rude
Well I'm bout to discipline you
(Discipline you)
You feel me way up in you
(Way up in you)
You're telling me continue
(Hey)
I ain't gonna stop until you
(Hey)

Tonight mi gonna lock you down
(Tonight mi gonna lock you down)
Tonight mi gonna lock you down
(Tonight mi gonna lock you down)
I'm gonna discipline you
(Discipline you)
You feel me way up in you
(Way up in you)
You're telling me continue
(Me continue)
I ain't gon' stop until you
(Stop until you)

All day
(All day)
All night
(All night)
I'll make you feel alright
All day
(All day)
All night
(All night)
I'll make you feel alright

All night
(All night)
All day
(All day)
I'll make you feel okay
All night
(All night)
All day
(All day)
No bother give me no poker face yeah (So hear mi now)

She seh mi look enticing nuh bite it cause you no Tyson
She feel it rising and she like it surprising

Right ya now me is a man mixed with a bison
Slap it up and left the finger print pon di light skin
She wah fi ride like a motorcyclist
When mi done yeah me left it lifeless
Right ya now she wah fi be mi wife yes
She want a ring and dress up inna white dress
Right ya now she want di house and di car
And di yute and di dog and di picket white fence
Cause she like when mi stick it like this
And she nuh care if she lose the night rest
45 to an hour no less
Like a plumber me a run the pipe yes
Send a text if a mine type yes
Easy Mr OMI cause you rated as best

Tonight mi gonna lock you down
(Tonight mi gonna lock you down)
Tonight mi gonna lock you down
(Tonight mi gonna lock you down)
I'm gonna discipline you
(Discipline you)
You feel me way up in you
(Way up in you)
You're telling me continue
(Me continue)
I ain't gon' stop until you
(Stop until you)

All day
(All day)
All night
(All night)
I'll make you feel alright
All day
(All day)
All night
(All night)
I'll make you feel alright

All night
(All night)
All day
(All day)
I'll make you feel okay
All night
(All night)
All day
(All day)
No bother give me no poker face yeah
