

Gods Go First

Omnium Gatherum

What do we want
a part of the action
it goes with the need
to be a part of the attraction
to be fed all the time
to avoid the sleepless eyes
to be a rebel to be a slave
to have a right to remain

Gods go first
to the absolute
in-to nothingness

This time
all the levels are undone
for the greater and the lesser alike
within a single reality
that is all that is

Gods go first
to the absolute
and in-to
nothingness

All that is all

How to deal with the night
how to deal with the midnight sun
to be the truth and to be denied
a treasure within sight

Gods go first
to the absolute
and in-to nothingness
