

This is penal colony
This is the latest frontier

It is a part of the illusion
Living inside everyone
A part of the grand creation
A paradise to come

In secret they are set free
In a mind frame quiet yet real

It is a part of the illusion
Living inside everyone
A part of the grand creation
A paradise for some

Let it heal
Let it heal
On a planet scale
Let it heal
Let it heal
Inside the heart of hearts

Let it heal
Let it heal
On a planet scale
Let it heal
Let it heal
Inside the heart of hearts

Let it heal
Let it heal
On a planet scale
Let it heal
Let it heal
Inside the heart of hearts
