

Can you question the deep insight?
Will you assess what is right?
Left is a promise
Forced to hide
Is there a reason
To be so dead inside?

As the night falls down
All beliefs of the heart
As the night falls down
All beliefs of the heart

Since you left it
Far behind
Can you be certain
Not still twined?
What is fate if not certainty?
You're not too late
Certainly

As the night falls down
All beliefs of the heart
As the night falls down
All beliefs of the heart

Shadows in the dark
Shadows in the dark, in the dark
There is no shadow in the dark
There is no shadow in the dark, in the dark

As the night falls down
All beliefs of the heart
As the night falls down
All beliefs of the heart

Shadows in the dark
Shadows in the dark, in the dark
There is no shadow in the dark
There is no shadow in the dark, in the dark
