

## Lack In Resorts

## On Thorns I Lay

Stay here  
live up to  
what we  
believed in  
the moments we cried  
when our love died  
when you arrived.

Stay with me in this  
time to remember  
Let us be in this  
garden forever  
All my life  
I've waited this moment to come  
This dust now just fucks up my mind

We are  
your questions.  
You are  
our answers.  
Build up  
the prison  
in which  
we dream of  
the things we can buy  
in order to fly  
to the place where we can hide

Stay with me in this  
time to remember  
Let us be in this  
garden forever  
All my life  
I've waited for this moment to come  
This dust now just fucks up my mind

Stay!

we can hide from...

Seems we are solid but we  
are just afraid, crawling.

They can't escape it  
They smile but they fake it  
There is nothing to carry them all safe back home

Father I need you  
Where are you?  
I miss you now that I need your love that makes me feel strong
