

Pattern up  
Flip this money then we stack it up  
Burnin' bridges, niggas ac'in' up  
She on my body like I'm tatted up  
I ain't see nobody bad as her  
I ain't see no body bad as hers  
(I'ma get this money, I'ma grab it up  
I been stackin', I been stackin'  
Just wait 'til I pattern up)

Ah, mandem  
Ball dis up it's your anthem  
For them d boys, and them scammers  
All the women tell me I'm handsome  
Sexy girl with no manners  
You gotta show me all of your talents  
If your girl is cute  
Go grab a tube, coz life is all about a challenge (ah)  
Life is all about symmetry  
You know I like this one, I don't give a "D"  
I was raised where the drillers be  
Now they feel me all the way in Italy  
She travel just to get the missionary  
I bet your misses still misses me  
I bet them niggas still mimic me  
Stole my pattern, they're just mini-me's

I was taught to go harder (mumsy)  
Single mum with no father (love you)

Every day there's more drama (stress)  
But we're pattern now no barber  
Used to phone Bianca no answer  
Now I give her body shots with no armour (wow)  
There was Pamela, now there's Angela  
'Cause my stamina's on Mo Farah

I pray that all these niggas nothing like me (ay, we at it fam)  
Mudda fucking icy (ay)  
We just livin' life (yaya)  
All we do is grind till there's Bentleys in the driveway (ah)
