

Vice Versa

One Acen

Pretty gyal, lawd ah mercy
She said she with her friend Kirsty
Hypnotised me, yeah she cursed me
Dem nuh like me 'cah they thirsty
And she know what is mine is hersa, vice versa
And she know what is mine is hersa, vice versa

Yeah (Mm)
You're my fire, holdin' tighter
What's mine is hersa, vice versa
I believe, I believe you're the only one for me
I believe, I believe

Aye, dem way dere
I ain't gonna stop on the m-way there
Cut through the lane when the m-way's clear
Would you do the same babe? Please say yeah (yeah)
On my grind, a lot of money on my mind
And I got a bag of girls on my line
But I told them other hoes boom bye bye

'Cah my love for you is timeless
Precious items
Diamonds don't compare (yeah yeah yeah)

You're my fire, holdin' tighter
What's mine is hersa, vice versa
I believe, I believe you're the only one for me
I believe, I believe

Yo, check me?
I believe, I believe, I believe
Big chefers ain't the only thing I've got up my sleeve
Mama mi, mama mi, mami mi
She said "Me too" and backed out a rabbit
Stop ramping with me, I believe
Come hop on the saddle, buckle up please
Ándale
Undisputed truth I'm what you need
Follow me, follow me, follow me
Follow my lead
Girl, do you believe, that my love for you is timeless?
You're fine yes, I might just apply pressure
You a diamond, so shine gal you're the brightest

You're my fire, holdin' tighter
What's mine is hersa, vice versa
I believe, I believe you're the only one for me
I believe, I believe

Pretty gyal, lord ah mercy
She said she with her friend Kirsty
Hypnotised me, yeah she cursed me
Dem nuh like me 'cah they thirsty
And she know what is mine is hersa, vice versa
She ride, she surfer
She like me versa

She cruise in my Mercedes
Whine one time for me baby

You're my fire, holdin' tighter
What's mine is hersa, vice versa
I believe, I believe you're the only one for me
I believe, I believe

How many man are cattin' to take my place if I disrespected you?
I guess we'll never know
'Cah my love for you is timeless
Precious items
Diamonds don't compare
