This apple's hard to the core, this ain't about metaphors
Given the spiritual war, we all a part of it
So much emotion inside, I spit with passion and pride
Feel the rhythms I ride? I put my heart in it (I put my soul in it)
Originality grace, my personality traits
nourish reality based, see how my world turns
Sets anybody in weeks, I practice first what I preach
Experience what I teach, you gotta live and learn
And for the hip-hop addicts, another Sub classic!
