

Marathon

One Chance

(2x)

Girl I'm a run this thing like a marathon
If you're going, going going on night.
Girl I'm a run this thing like a marathon
I'm a give it to you just the way you like.

First things, first girl, you go at the stretch light yeah
Show baby you're on fire I'm a help you put it out, out
Girl stop it droppin row droppin raw
I know it ain't a race so I gotta keep the pace
It 's a marathon, baby it's 25 day
And I wanna into I'm a run to tell the in girl it's a marathon
So we ain't stop until the break up day.

Oh girl don't you wanna ride with the champion
Somebody that you know can go the distance
Don't you wanna row with the champion
Somebody that's in a excellent condition.
