

# Down And Dirty

One Desire

You've been watching me  
Since day one  
And you've been hunting me  
I don't mind  
It took a while to see  
How we could go  
Into the violet fields  
How to move on

And now and then when my day goes down  
I wish you'd let me know

I wanna go down and dirty, oh  
I wanna go down and dirty, oh  
But do I dare to let you know

You're good to be around  
I love it  
And it's been good to find  
That you're just like me

So if you're good when my day goes down  
Just turn another way

I wanna go down and dirty, oh  
I wanna go down and dirty, oh  
But do I dare to let you know  
Down and dirty, oh  
I wanna go down and dirty, oh  
But do I dare to let you know

Oh, your dirty love will get me drunk tonight  
Oh, don't cover up what you really like  
Oh, it's dirty love so put your eyes on me  
Oh, so don't you cover it up, cover it up, no no no

You've been watching me  
Since day one

Down and dirty, oh  
Down and dirty, oh  
I wanna go down and dirty, oh  
You're all that I want  
You're all that I need  
I'm all that you got  
So don't you cover it up  
Down and dirty  
No, no, no

Do I dare to let you know?  
Down and dirty
