

Another World

One Direction

It's not me, It's not you, there's a reason
I'm just trying read the signals I'm receivin
It's like stone on fire, can you feel it
I don't know about you girl but I believe it

Words will be just words
Till you bring them to life

I'll lift you up, I'll never stop
You know I'll take you to another world
I'll build you up, I'll never stop
You know I'll take you to another world

Everyday, in everywhere,... oooh

I'll lift you up, I'll never stop
You know I'll take you to another world

One for me, one for you
Watch 'chu you doing?
