

# I Wish

One Direction

**G C G C**

**G**

He takes your hand

**C**

I die a little

**G**

I watch your eyes

**C**

And I'm in little

**Em**

**C**

**G C**

Why can't you look at me like that

**G**

When you walk by

**C**

I try to say it

**G**

But then I freeze

**C**

And never do it

**G**

My tongue gets tight

**C**

The words can't trade

**Em**

**C**

I hear the beat of my heart getting louder

**D**

Whenever I'm near you

**G**

**D**

**Em**

**D**

R: But I see you with him slow dancing

**C**

Tearing me apart

**G D**

Cause you don't see

**G**

**D**

Whenever you kiss him

**Em**

**D**

I'm breaking,

**C**

**D**

**G**

Oh how I wish that was me

**G C G C**

**G**

He looks at you

**C**

The way that I would

**G**

**C**

Does all the things, I know that I could

**G**

**C**

If only time, could just turn back

**Em**

'Cause I got three little words

**C**

**D**

That I've always been dying to tell you

R: But I see you...

**Em**

**C**

Feel with my hands on your waist

**D**

While we dance in the moonlight

**Em**

I wish it was me

**C**

That you call in your room

**D**

Cause you wanna say good night

**G**

**D Em**

**D**

Cause I see you with him slow dancing

**C**

Tearing me apart

**G**

**D**

Cause you don't see

R1: But I see you with him slow dancing

Tearing me apart

Cause you don't see

Whenever you kiss him

I'm breaking,

**C D**

Oh how I wish
