

# Night Changes

One Direction

**G**

Going out tonight, changes into something red

**Emi7**

Her mother doesn't like that kind of dress

**Hmi**

**D**

Everything she never had she's showing off

**G**

Driving too fast, moon is breaking through her hair

**Emi7**

She's heading for something that she won't forget

**Hmi**

**D**

Having no regrets is all that she really wants

**C**

**D**

We're only getting older, baby

**C**

**D**

And I've been thinking about it lately

**C**

**D**

Does it ever drive you crazy

**G**

**D**

**Emi**

Just how fast the night changes?

**C**

**D**

Everything that you've ever dreamed of

**C**

**D**

Disappearing when you wake up

**C**

**D**

But there's nothing to be afraid of

**G**

**D**

**Emi**

Even when the night changes

**C**

**D**

**G**

It will never change me and you

**G**

Chasing it tonight, doubts are running 'round her head

**Emi7**

He's waiting, hides behind a cigarette

**Hmi**

**D**

Heart is beating loud, and she doesn't want it to stop

**G**

Moving too fast, moon is lighting up her skin

**Emi7**

She's falling, doesn't even know it yet

**Hmi**

**D**

Having no regrets is all that she really wants

We're only getting older, baby

And I've been thinking about it lately

Does it ever drive you crazy

Just how fast the night changes?

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change me and you

Going out tonight, changes into something red  
Her mother doesn't like that kind of dress  
Reminds her of the missing piece of innocence she lost

We're only getting older, baby  
And I've been thinking about it lately  
Does it ever drive you crazy  
Just how fast the night changes?  
Everything that you've ever dreamed of  
Disappearing when you wake up  
But there's nothing to be afraid of  
Even when the night changes  
It will never change, baby  
It will never change, baby  
It will never change me and you
