Olivia

One Direction

Remember the day when we've given up
When you told me I didn't give you enough
And all of your friends were saying I'll be leaving you

She's lying in bed with my t-shirt on
Just thinking how I went about it wrong
This isn't the stain of a red wine
I'm bleeding love

Please believe me, don't you see the things you mean to me?
Oh I love you, I love you
I love, I love, I love Olivia

I live for you, I long for you, Olivia
I've been idolizing the light in your eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go
Don't let me go

See what you've been and then say it now
Cause I get the feeling you're walking out
Time is irrelevant now, I'm seeing you
The consequences are falling now
There's something I'm having nightmares about
These are the reasons I'm crying out to be with you

Please believe me, don't you see
The things you mean to me?
Oh I love you, I love you
I love, I love, I love Olivia

I live for you, I long for you, Olivia
I've been idolizing the light in your eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go
Don't let me go

When you go and I'm alone
You live in my imagination
Summertime and butterflies
All belong to your creation
I love you, it's all I do
I love you

I live for you, I long for you, Olivia
I've been idolizing the light in your eyes, Olivia
I live for you, I long for you, Olivia

Don't let me go
Don't let me go
Don't let me go
