

You & I

One Direction

I figured it out
I figured it out from black and white
Seconds and hours
Maybe they had to take some time

I know how it goes
I know how it goes for wrong and right
Silence and sound
Did they ever hold each other
Tight like us
Did they ever fight like us

You & I
We don't want to be like them
We can make it till the end
Nothing can come between
You & I
Not even the gods above
Could separate the two of us
No nothing can come between
You & I
Oohh You & I

I figured it out
Saw the mistakes of up and down
Meet in the middle
There's always room for common ground

I see what it's like
I see what it's like for day and night
Never together
Cause they see things in a different light
Like us
They never tried like us

You & I
We don't want to be like them
We can make it till the end
Nothing can come between
You & I
Not even the gods above
Could separate the two of us

'Cause You & I

We don't want to be like them
We can make it till the end
Nothing can come between You & I
Not even the gods above
Could separate the two of us
No nothing can come between
You & I

You & I

Oohh You & I [x2]

We can make it if we try
You & I

Oohh you & I
You & I
