

Explode

One Fine Day

She had such tiny tears...Just like a Barbie doll ...She likes to shop at Se...Now she's a big mamma ...He knows just what she wants ...She is his latest catch...Mesmerized like horny toads ...By shiny things like jewels and gold ...You'll be on Easy Street ...She gets all that she wants ...Like a fairy tale ...Anything that she likes ...Oh, she's pretty as a picture...One day you'd think she'd see ...And she passed her time in ...Like dynamite ...One fine day she'll explode
