

Something Beautiful

One Less Reason

Will I know if it's happiness I see?
Will I feel a different side of me?
And if I let it go would you come back to haunt me?
Am I doing the best that I can?

We can wait for tomorrow or we can find ourselves right now
Think about all that we've wasted trying to figure all this out
I know it's not too late to turn it all into something beautiful

Can I see the light still needs to shine inside of me?
Through the windows I can't find
Will you let me go? I'm tired of hiding
I'm trying to find my way

We can wait for tomorrow or we can find ourselves right now
Think about all that we've wasted trying to figure all this out
I know it's not too late to turn it all into something beautiful

All we need is a chance to believe

We can wait for tomorrow or we can find ourselves right now
Think about all that we've wasted trying to figure all this out
I know it's not too late to turn it all into something beautiful
