

Can't Wait

ONE OK ROCK

They say
What doesn't kill you
Will just make you tougher
But I've had enough
I can't wait
I can't wait

Now my
Backs on the ropes
Got nowhere to go
I'm ending this fight
I can't wait

You say it's forever
I'm sorry I
I'm sorry I
Gotta let go

You say now or never
I'm sorry I
I'm sorry I
Gotta let go

You wanna pull me in closer
I know I'm better alone
Don't make me say that it's over
I'm sorry I'm sorry

You say it's forever
I'm sorry I
I'm sorry I
Gotta let go

Gotta let go, Gotta let go
Gotta let go, Gotta let go

Kururu haguruma ni nasu sube naku
Karamawari I can't wait
I can't wait
Fukai kiri ga kakarime no mae mo shiroku nigoru
I can't wait

You say it's forever
I'm sorry I
I'm sorry I
Gotta let go

You say now or never
I'm sorry I
I'm sorry I
Gotta let go

You wanna pull me in closer
I know I'm better alone
Don't make me say that it's over
I'm sorry I'm sorry

You say it's forever
I'm sorry I
I'm sorry I
Gotta let go

Gotta let go, Gotta let go
Gotta let go, Gotta let go

You were always there on my mind
Now it doesn't seem right
Doesn't feel right
I was turning into someone
I don't wanna be
I just wanna leave

You say it's forever
I'm sorry I
I'm sorry I
Gotta let go

You say now or never
I'm sorry I
I'm sorry I
Gotta let go

Gotta let go, Gotta let go
Gotta let go, Gotta let go
