

Deeper Deeper

ONE OK ROCK

Another step up
It's takin' takin' takin' takin' long
Always digging
It's gettin' getting' getting' get it on
Wherever you stand just start to walk
Everywhere you go goes round and round
It's coming back to what I know

The deep deep deeper we go
Feeling alone, but it's oh so simple
Let it go
Dim dim dim the light's low
But not blind, I can see the symbol
Let it show
Mighty story
Don't hide it from me
Itsudatte hito wa mayou ndatte
Kizuichattatte shiranpuri shite iyou
Soshite Good Good Days

Bokura wa umarete kara so ooku wo manabi
Shi ni chikazuku ni tsurete ooku wo wasure
Kizuita toki nya mou hai ni natteru
Ikita akashi wo nokoshite oku ni wa mono ja nakute

“Dareka no kioku ni nokoru you na jinsei wo osusumeshimasu”

The deep deep deeper we go
Feeling alone, but it's oh so simple
Let it go
Dim dim dim the light's low
But not blind, I can see the symbol
Let it show
Mighty story
Don't hide it from me
Itsudatte hito wa mayou ndatte
Kizuichattatte shiranpuri shite iyou
Soshite Good Good Days

Monogoto ni wa so donna toki datte
Omake no nobishiro ga tsuite ite!
Nanika wo kizuki soshite kaete koete!
Kiseki to iu na no hitsuzen wo kurikaeshite! ue he

We never we never we will not stop right here

Do what you do gotta get through
Hetareteru jikan nante mijin mo nai zo
Koukai shinai you ni ikiru
Sonna fuu ni ikitatte kui wa nokoru sa
Nagai mono ni makarete owaru?
Iya sore dokoroka maite owaru no sa
Yosoku sura deki ya shinai mou SUPIIDO de
Hora Good Good-bye
