

# Eye of the Storm

ONE OK ROCK

It's harder to see  
With my head in the clouds  
But my feet on the floor  
I can't seem to keep  
Any wolves from my door  
The funny thing is  
You wait for a sign  
And then ten come along  
A swing and a miss  
It never rains but it pours

Drowning in the water  
Against the current  
I can barely hold on  
But one thing that I remember  
It's always darkest before the dawn

In the eye of the storm  
In the eye of the storm  
(In the eye, in the eye)  
One thing that keeps me going  
More than you'll ever know  
In the eye of the storm  
(In the eye, in the eye)

On the horizon  
Stars are dark, worse than ever before  
The sun isn't rising  
So, I can't see a shore

But one thing that I remember  
It's always darkest before the dawn

In the eye of the storm  
In the eye of the storm  
(In the eye, in the eye)  
One thing that keeps me going  
More than you'll ever know  
In the eye of the storm  
(In the eye, in the eye)

I remember, I remember  
It's always darkest before the dawn  
And that one thing will keep me going  
More than you will ever, ever know

In the eye of the storm  
In the eye of the storm  
Oh, in the eye of the storm  
Whoa, whoa  
(In the eye, in the eye)  
It's that one thing that keeps me going  
More than you'll ever know  
In the eye of the storm  
(In the eye, in the eye)
