

No Scared

ONE OK ROCK

Give me more!!!!

Give me more!!!!

Give me more!!!!

I wanna bring it back, We never carry on
I wanna bring it back, We never carry on
Seize it somehow seize it somehow
Only thing I lose

We hurry on (On!), 'cuz we are coming to the end
We hurry on (Yeah!), 'cuz we are coming to the end
I know it's me I could me one from millions
I never trust anything to survive

No, no, that's all, I'll be all right
No, no, that's why you take me back
No, no, that's the price I must pay?
I've got leave you nothing to take anymore

No, no, that's all, I'll be all right
No, no, that's why you take me back
No, no, that's the price I must pay?
Now scared to death with the burning blue flame we are

Can you! reach out?!
Shout it out!! You shout it out!!
Seize it somehow, seize it somehow
Only thing I lose

We hurry on (Yeah!), 'cuz we are coming to the end
We hurry on (Yeah!), 'cuz we are coming to the end
I know it's me I could me one from millions
I never trust anything to survive

No, no, that's all, I'll be all right
No, no, that's why you take me back
No, no, that's the price I must pay?
I've got leave you nothing to take anymore

No, no, that's all, I'll be all right

Touch it touch it, don't you know it's just begun
Watch it watch it, make me feel like the man
Break it break it. We can't leave it undone
Kill the sound, you are maybe alive

(One, two, three, four, five!!!)

(No, no..... No, no..... I've got leave you nothing to take anymore)
