

Onion!

ONE OK ROCK

Wow what is life? Tell me it' s like
Honshitsu mo tomeru hibi
Peel it over and over again
Life is like an onion

Hagashite kya hagasu hodo kagayaki tomedonaku
Tokini me ni shimate dou shoumonaku nakitaku nattatte
Yamen na! Toman na!
So just let the small shit go

Layer by layer right down to the core
Crying you don't even know what for
Son de tsukarete kyuukei
Tameiki majiri de guchi haki saisei
Tonde hi ni iru natsu no boku o omoikaesu
Kimochi wa nosutarujikku
Sanzan'na kako no shippai wa ima kono basho ja
Mou chigaihouken

Yeah karami mo nigami mo sou egu aji mo suimoamaimo
Kono sen zento tanan? No No No ajiwattaga kachi!

Mazui to omoi tsudzuke teta mon ga kyuu ni
Ato hiku oishi-sa e to kawatte yuku mitai ni
Jinsei wa wakan'nai!
So just let the small shit go

Layer by layer right down to the core
Crying you don't even know what for
Son de tsukarete kyuukei
Tameiki majiri de guchi haki saisei
