

# Prove

ONE OK ROCK

One step at a time  
No matter how long it takes  
I will make the climb  
Learn from the mistakes I've made

When times are looking tough  
I will be looking up to you  
I found a better life  
That'll be the one that I choose

I need answers  
Nobody ever, nobody seems to know  
Sticks and stones will never  
Break these bones

One step at a time  
No matter how long it takes  
I will make the climb  
Learn from the mistakes I've made

And I'll prove it to you, prove it to you, prove it to you  
Prove it to you, prove it to you, prove without a doubt  
Give me the one chance, the one chance  
So I can, so I can prove to you

It's time to realize  
See the world with open eyes, oh  
And I will never stop  
Even when I reach the top, oh  
Oh-oh, oh-oh

I need answers  
Nobody ever, nobody seems to know  
No one seems to know  
Sticks and stones will never  
Break these bones

One step at a time  
No matter how long it takes  
I will make the climb  
Learn from the mistakes I've made

And I'll prove it to you, prove it to you, prove it to you  
Prove it to you, prove it to you, prove without a doubt  
Give me the one chance, the one chance  
So I can, so I can prove to you

I might bend but I'm not gonna break no more  
Might be tired, but I'm not about to give up, no  
I might bend, but I'm not gonna break no more  
(I'm not going to give up)  
No sticks and no stones

And I'll prove it to you, prove it to you, prove it to you  
Prove it to you, prove it to you, prove without a doubt  
Give me the one chance, the one chance  
So I can, so I can prove to you

So I can prove to you

No matter how long it takes

One step at a time

I will make the climb

Learn from the mistakes I've made

And I'll prove it to you, prove it to you, prove it to you

Prove it to you, prove it to you, prove without a doubt

Give me the one chance, the one chance

So I can, so I can prove to you

So I can prove to you

So I can prove to you

So I can prove to you
