

Save Yourself

ONE OK ROCK

Save yourself
Love is pain, I know too well
You've never felt waves this strong
Just save yourself
I learned to sink or swim, but you can't even dive right in
Save yourself
If you're drownin' in your doubt
Save yourself

I'm caught up in a current, babe
Heart-break games, you won't play
It's obvious you don't need me
That's okay, drift away

I will trust my fate, you live your truth
I will get over it
It's obvious you don't need me
That's okay, drift away

Save yourself
Love is pain, I know too well
You've never felt waves this strong
Just save yourself
I learned to sink or swim, but you can't even dive right in
Save yourself
If you're drownin' in your doubt
Save yourself

You're running from a hurricane
I set fire to the rain
I wanna be your lifeline, babe
I got time and you got brave

I will trust my fate, you live your truth
I will get over it
It's obvious you don't need me, no!
Can you hear me, can you hear me, can you hear me?

Save yourself
Love is pain, I know too well
You've never felt waves this strong
Just save yourself
I learned to sink or swim, but you can't even dive right in
Save yourself
If you're drownin' in your doubt
Save yourself

If you're drownin' in your doubt
Just save yourself

(Drownin' in your doubt)
(Save, save)

Save yourself
Love is pain, I know too well
You've never felt waves this strong
Just save yourself

I learned to sink or swim, but you can't even dive right in
Save yourself
If you're drownin' in your doubt
Save yourself
