Start Again

ONE OK ROCK

This is where I draw the line Seen this war a million times Looking for a peace of mind

Now you hate what we've become Say the word…let's be done There is something in the way

I'm not always perfect
But I'm always myself
If you don't think I'm worth it
Find someone else
I won't say I'm sorry
For being who I am
Is the end a chance to start again

I'm not always perfect But I'm always myself If you don't think I'm worth it Find someone else I won't say I'm sorry For being who I am Is the end a chance to start againD

I know, I know, I know it's not easy You can leave here anytime You know, you know, you know it's just not right

I'm not always perfect But I'm always myself If you don't think I'm worth it Find someone else I won't say I'm sorry For being who I am Is the end a chance to start againD
