I'm so jealous of you  
'Cause no matter what you say, it's the right answer  
( 'Cause you only think about yourself)  
I'm so jealous of you  
Because it always ends up the way that you want

I'm so jealous of you  
Ooh-ooh  
I'm so jealous of you  
Even you always do it your own way  
'Cause the person by your side is me  
'Cause I always accept you without understanding  
I'm so jealous of you  
I'm so jealous of you  
Because you can change me however you want

'Cause I don't need no reason  
My love is just for you, baby  
It means nothing unless it's you  
I don't need anything  
I gotta be with you  
Right now  
Hold me tight with open arms  
No matter what if it's with you  
I don't need anything in this world

I'm so jealous of you  
Ooh-ooh  
Even you always do it your own way  
'Cause the person by your side is me (Is me)
