Who's there?  
If someone's there, I need you to  
Stay, yeah, yeah  
Can't everything last forever?  
Let's do it 'til we pass out  
You ready or not? Eventually  
Everything will come to an end  
I don't wanna waste our time, no  
Honestly, I've been waiting for so long  
If the time is now  
I won't spend it carelessly (Oh, yeah, yeah)

What you want, baby?  
What you want, tell me  
What you want, tell me  
What you want, yeah  
Soaked in your love  
This beautiful moment  
Your heart beating  
Like soft bells in my ears

Rush into you, anywhere  
When a cold wind blows toward you, yeah, yeah  
Rush into you, anywhere  
Even when you cry without knowing why, yeah, yeah  
(Bottle, bottles up) Let's celebrate this love, baby  
(Bottle, bottles up) We don't have that much time  
I'll rush into you, anywhere (Anywhere)  
Wherever you are, as long as it's with you

Who's there? Oh  
If someone's listening to this song  
Stay  
I'll fill in the empty space next to you  
Someone call 911, even if I die right now (Baby, yeah)  
I'm good to die because you're next to me  
I'm ready to, ready to go, it's the beginning now  
I can't let go before I see the end (Oh, yeah, yeah, yeah)

What you want, baby?  
What you want, tell me  
What you want, tell me  
What you want, yeah  
Soaked in your love  
This beautiful moment
