

## Feeling A Moment

One Tree Hill

Feeling the moment the slip away  
Losing direction you're losing faith  
You're wishing for someone  
Feeling it all begin to slide  
Am I just like you  
All the things you do - can't help myself

How do you feel when there's no sun  
And how do you feel when rain drops come pouring down again  
How do you feel when there's no one  
Am I just like you

Turning to face what you've become  
Bury the ashes of someone  
Broken by the strain  
Trying to fill that space inside  
Am I just like you  
All the things you do - can't help myself

How do you feel when there's no sun  
And how do you feel when rain drops come pouring down again  
How do you feel when there's no one  
Am I just like you  
All the things you do

Don't ever feel  
That you're alone  
I'll never let you down  
I'll never leave you dry  
Don't fall apart  
Don't let it go  
Carry the motion  
Carry the motion back to me

(To me)

Feeling the moment the slip away  
Feeling the moment the slip away

Am I just like you

How do you feel when there's no sun  
How do you feel when rain drops come pouring down again  
How do you feel when there's no one  
Am I just like you
