

# Let Me Fall

One Tree Hill

It's October again  
Leaves are coming down  
One more year's come and gone  
And nothing's changed at all  
Wasn't I supposed to be someone  
Who can face the things that I've been running from...

Let me feel, I don't care if I breakdown  
Let me fall, even if I hit the ground  
And if I...  
Cry a little  
Die a little  
At least I know I lived, just a little...

I've become much too good at being invincible  
I'm an expert at play it safe, and keep it cool  
But I swear this isn't who I'm meant to be  
I refuse to let my life roll all over me...

Let me feel, I don't care if I breakdown  
Let me fall, even if I hit the ground  
And if I...  
Cry a little  
Die a little  
At least I know I lived, just a little...

I wanna be somebody  
I, I wanna be somebody  
I wanna be somebody  
I, I wanna be somebody who can face the things that I've been running from

Let me feel, I don't care if I breakdown  
Let me fall, even if I hit the ground  
And if I  
Cry a little  
Die a little  
At least I know I lived...

It's October again  
Leaves are coming down  
One more year's come and gone  
And nothing's changed at all
